

# ACORN BARK

THE PERFECT COMPLIMENT TO ANY LANDSCAPE

ACORN BARK is a virgin wood or bark that comes from Fir trees. Bark varies in size and color and when used as a top dressing, it provides an almost infinite variety of looks and styles.

We proudly offer many different bark sizes including our most popular types, WALK-ON BARK and ACORN BARK.

WALK-ON BARK is red in color and 1/4"-3" in size.

ACORN BARK(95% bark) is also red and 1" in size.
