

PREMIUM BLEND

ENCOURAGES VIGOROUS INDOOR & OUTDOOR PLANT GROWTH

PREMIUM BLEND is a unique blend of special ingredients designed for pots, containers and raised beds.

Mixed to professional standards, PREMIUM BLEND can be used for a vast majority of indoor and outdoor plants and is formulated to be used straight without additives. PREMIUM BLEND is also pH balanced to encourage strong plant growth. Acid-loving plants thrive in Premium Blend because of its peat moss content.
